

2009-2010 Verification Worksheet

Your application was selected for review in a process called "Verification." In this process, Walters State Community College compares information from your FAFSA with signed copies of your and (your spouse's) 2008 Federal tax forms, W-2 forms, or other financial documents. The law states the Financial Aid Office has the right to ask you for this information before awarding Federal aid. If there are differences between your FAFSA information and your financial documents, your FAFSA will need to be reprocessed. The Financial Aid Office will automatically submit the corrections to the Central Processing Center for recalculation.

Please read carefully. Any information left **blank** or **unsigned** will result in a delay in the processing of your aid.
