DUAL ENROLLMENT COLLEGE

Walters State Community College and service area school systems have partnered to provide an opportunity for students to earn a high school diploma and an associate degree and/or college credits simultaneously. The program provides a variety of learning options related to a range of careers for students who are ready to accept the challenge of college level classes. Many students will choose to simply take a few dual enrollment classes, while others will make the commitment to obtain an associate degree while in high school.

Dual enrollment college students can

- Get a head start on college by enrolling in dual enrollment courses
- Receive an associate degree along with a high school diploma
- Explore a variety of careers and opportunities, including mentoring by college students, counseling services, tutoring, clubs, and recreation
- Enjoy the benefits of small class size and intergenerational learning
- Potentially receive the dual enrollment grant to help pay for tuition costs

Tuition Cost

Tuition costs will be based on the current tuition schedule determined by the Tennessee Board of Regents in July of each year. Textbooks may be purchased new or used, or may be rented through the Walters State Bookstore.

For more information on the Tennessee Dual Enrollment Grant, go to www.tn.gov/collegepays.

Applying for Dual Enrollment College

- Applicants must have a letter grade of "B" or a numerical average of "88" or ACT Composite of 21. Additional eligibility requirements may be required by the high school.
- Students enrolling in English Composition, college level mathematics and reading-intensive courses such as HIST 1110/1120 must have appropriate placement levels as determined by the Office of Student Enrollment Services.
- Applicants will be screened by the high school principal and counselors. A school-level recommendation must accompany the student's Dual Enrollment College Application. Applications are available from Walters State Community College Division of Distance Education at the Morristown Campus, Claiborne County Campus, Niswonger Campus in Greeneville and Sevier County Campus.
- Students must demonstrate the maturity to cope with the freedom of a college campus and the rigor associated with college level courses.
- Students are responsible for their own transportation.

Participating in Dual Enrollment College is not a requirement for enrolling in Dual Enrollment courses.
