

NEW Dual Enrollment Grant Changes

Beginning Fall 2020

Beginning Fall 2020, dual enrollment students will be able to utilize three courses per term/semester under the TN Dual Enrollment Grant. In the past, students could only utilize the grant for two courses per term/semester. With the new legislation, there will no longer be a \$1,200 maximum for the academic year as there was in the past. In order for students to be granted these funds beyond course one, they must still be HOPE eligible as in the past. However, the DEG will now have a lifespan of courses 1-10 in comparison to 1-8 in the past.
