SCHOOLS	CLASS#	DATES	LOCATION	INSTRUCTOR
1. Semi-Auto Pistol Operator	20-87	March 11-13	Greeneville	Chris Cerino

***(Will have a different price than standard class) \$495.00**

Learn to run the gun. Guaranteed to set you on the path toward greater understanding of what it takes to be a successful handgun operator. Performance is achieved through high repetition and attention to detail. Let a Pro shorten your learning curve with information and drills that will keep you shooting at higher levels for life.

2. Agency Liability	March 19-20	Greeneville	Daigle Law Group
----------------------------	--------------------	--------------------	-------------------------

***(Will have a different price than standard class) \$395.00**

This seminar focuses on legal analysis, guidance and interpretation of current laws addressing supervisory/municipal liability and current police practices in effective and constitutional policing. The training focuses specifically on civil liability that is imposed on command level and first line supervisors. Including - Effective & Constitutional Standards of Policing and current trends related to use of force investigation.

Areas to be Covered:

- DOJ Consent Decree Language
- The Monell Standard
- Deliberate Indifferent Standard
- Generally Accepted Police Practices
- Civil and Criminal Liability
- Use of Force Reporting and Investigation

3. Field Training Officer	March 23- 27	Sullivan Co. Sheriff's Office	B. Dooley
----------------------------------	---------------------	--------------------------------------	------------------

This course is designed to prepare the law enforcement officer to become a training officer who will oversee the new recruit during his/her probationary period. The officer will learn how to evaluate and predict any problems during the recruit's training phase. (Specialized Law Enforcement ONLY)

4. Search Warrants and Affidavits	20-182	April 6-8	Greeneville	C. Evans
------------------------------------------	---------------	------------------	--------------------	-----------------

The purpose of this course is to provide a review of search and seizure laws under the fourth amendment of the Constitution. This block of instruction will refresh attendee's knowledge and skills in the writing of search warrants, affidavits, probable cause requirements, search and seizure case law, and the use of informants, and procedures for the execution of warrants. (Specialized Law Enforcement Only)

5. Israeli Tactical Training	20-92	April 13-15	Greeneville, TN	Kinstlich
-------------------------------------	--------------	--------------------	------------------------	------------------

***(Will have a different price than standard class) \$595.00**

This course is designed to teach main Israeli tactics in dealing with crime and terrorism. Upon completion of the course students will be able to achieve the following objective:

1. Israeli firing methods
2. Israeli room clearing tactics
3. Structure clearing method
4. Identify suspicious signs in humans, bags, and vehicles
5. Krav Maga (Israeli Martial Arts): Opposing knife and baton attacks, search and cuff techniques, weapon retention techniques, dealing with multiple opponents, and quick reaction
6. Increase self-confidence, speed, and reaction
7. Active Shooter (actively participate in scenarios)
- 8.

**6. Emergency Vehicle Operation Instructor 20-66 April 20-24 WSCC Morristown N. Antrican
(Limit 12)**

This course is designed to prepare officers to become P.O.S.T. certified instructors in Emergency Vehicle Operation, the course will include developing skills to prepare and deliver the material to diverse audiences. (Prerequisite: Defensive and Tactical Driving & Instructor Development) (Specialized Law Enforcement Only)

**7. Carbine Operator 20-57 April 22-24 Greeneville, TN Chris Cerino
*(Will have a different price than standard class) \$495.00**

The AR15 is a specialized weapon platform requiring specific training, but mastering it doesn't have to be difficult. Learn the ins-and-outs of the platform and learn to run it like an operator. On completing this training you will be infinitely more familiar and successful with operation, firing and maintenance of America's Rifle. Learn skills that you can take to the range or the combat field. Let a professional guide you through what it takes to run the gun like a machine.

8. POST Firearms Instructor April 27-May 1 Sullivan County SO Frazier

This course is designed to develop departmental firearms instructors responsible for departmental training and P.O.S.T. certification procedures. Topics covered will include but not be limited to: the fundamentals of marksmanship, firearms safety, moving and shooting, and care of weapons. Instructor development is a Prerequisite (Specialized Law Enforcement Only. LIMIT:15)

9. Report Writing 20-184 May 4 - 5 Greeneville C. Evans

The ability to write a good report can make or break a case. A report that a police officer writes in his or her squad car has the potential to make it to the United States Supreme Court. This course is intended to provide adequate information to assist law enforcement in the construction of a quality report from inception to conclusion.

10. Basic Criminal Investigation May 11-15 Sullivan County SO J. Strickler

This course is designed to prepare officers to successfully complete all types of criminal investigations. Basic criminal investigations techniques will be covered including the eventual prosecution of the case. (Specialized Law Enforcement Only)

**11. Diagnostic Pistol Instructor 20-602 May 18-20 Greeneville, TN Chris Cerino
*(Will have a different price than standard class) \$495.00**

TO BE A BETTER INSTRUCTOR... YOU NEED TO BE A BETTER SHOOTER!

Here's how you can be both. You need to make the hits. Learn what it takes to hit and why you miss. Geared toward the semi-automatic handgun, DPI focuses on gear manipulation, weapon manipulation and the fundamentals of marksmanship. This course is founded in real life application and passes on years of valuable information regarding self diagnosis, diagnosis of others and remediation of high profile shooters. Information especially useful to those with instructional aspirations.

12. School Resource Officer 20-528 June 1-5 Cocke County SO A. Fontes

This course is designed to train the officers assigned to work as the School Resource Officer, to include safety issues and procedures that impact their daily routines. (Specialized Law Enforcement Only)
