

Bachelor of Science
Business
Administration

TUSCULUM COLLEGE

Program Overview

The Business Administration degree program provides a foundation in all essential areas of business, with extra emphasis on the management of quantitative data. It is an excellent match to those students seeking a career in process/quality control, project management, budgeting and/or financial management.

Entrance Requirements

Students entering the BSBA program must have completed 54 credit hours of study, including 31 hours of specific general education coursework.
