Spring Semester 2023

All tuition/fees will be due Wednesday, Jan. 11, 4 p.m.
Unpaid balances may result in the student's class schedule being dropped.

Fees Incurred Jan. 12–24 are due by 4 p.m. Jan. 24. There will be no new registrations or adding of classes after Friday, Jan. 20.

Financial Aid Refunds

Students receiving a financial aid refund may set up a refund profile through [MyWS](#) to have their funds returned to them in the form of a direct deposit to a checking or savings account. In order to have your funds direct deposited, your refund profile must be set up by Sunday, Jan. 8. For students who choose not to have funds direct deposited, a check will be issued, printed, and mailed to the students' permanent address on file.

Students will receive an electronic notification through Senators Mail when refunds have been processed either by direct deposit or mailed check. Students must monitor their Senators Mail account for communications. Staff in Financial Aid or the Cashier's Office will not be able to determine when your credit balance will be processed as this is an automated process.

The Cashier's Office will begin disbursing financial aid refund balances Feb. 2. Students must have attended all classes and the attendance must be reported before credit balances are issued. Initial attendance or completion of another academically related activity is mandatory to be eligible for Federal Title IV aid.

Attendance status: Students may view their attendance status through [MyWS](#).

• [Login to MyWS \(my.ws.edu\)](#)

- Select **Student**
- Select **Student Records**
- Select **Attendance Reporting**

Financial aid refunds are only processed for students whose attendance has been confirmed in all course(s) enrolled.

RETURNED CHECKS / DIRECT DEPOSIT

Returned checks — The Cashier's Office makes multiple attempts at contacting a student through Senators Mail, phone calls, etc.

Returned direct deposits — Students are notified through Senators Mail with additional instructions. A paper check will be issued and mailed to a student's permanent address on file.

LOST CHECKS

A lost check may be reissued after 14 business days (excluding holidays) upon presenting an Indemnity Bond (completed, signed, and notarized) to the Morristown Cashier's Office.

PROVISION FOR BOOKS AND SUPPLIES

Students who have authorized aid in excess of tuition and fees as of Jan. 8, 2023, are eligible to receive an advance of funds to apply toward the purchase of books and supplies. The advance is the lesser of the student's credit balance or \$725. Only students meeting all of the eligibility requirements as of this date qualify for this provision. All recipients of a book advancement will receive an email notification through Senators Mail once the book advancement has been processed. Book advancements are scheduled to be disbursed Jan. 10.

Students are awarded financial assistance under the assumption that the student will complete all classes for the entire period for which assistance is awarded. If students withdraw, cease attendance or never attend courses for which they are scheduled to begin, they may no longer be eligible for the amount of aid originally awarded or disbursed. This may result in a repayment of funds, including the advance for books and supplies, to the institution.

The remaining balance of aid in excess of tuition and fees is scheduled to be disbursed beginning Feb. 1, 2023. Engagement/attendance must be reported in all courses prior to the aid being released. Any further questions regarding balance of aid should be addressed to the Cashier's Office.

e-Text Program

Walters State Community College participates in the TBR led Digital Engagement Initiative (DEI) program that attaches a digital textbook (e-text) to certain classes. Things to know about the e-Text:

- Attaching the e-Text to classes allows immediate access to the course material on the first day of class.
- The cost of the text will be included in the tuition and fees for the class as a non-refundable, non-mandatory fee.

Students will receive an email from the bookstore with information on how to access the digital materials and will also provide a link to opt-out, if desired.

- Students may opt out of the program and purchase a book on their own.
- The deadline to opt out for spring 2023 is Feb. 2, 2023.
- If students are in multiple courses, they can opt-out from one or multiple classes.
- If students choose to opt-out, they will be required to purchase material for their courses on their own.

Students should be aware that certain types of aid will not cover the cost of the e-Text. If students have questions, they should consult with a financial aid representative at any campus.

How to Enroll

Immunization Enrollment Requirements

Tennessee law requires that students enrolling in any of the following academic program areas are required to submit proof of compliance with the recommended immunization schedule:

- Programs that involve interaction with children, such as a teacher education or early childhood education training.
- Programs in the school of nursing, laboratory technology, or any other allied health professions.

For all other academic areas of study, students who provide proof of one of the following are considered to be compliant with the recommended immunization schedule:

- Prior or current military service.
- Graduation from a Tennessee high school after 2014.

Students enrolling in all other academic program areas who fail to provide health information that establishes the applicant's compliance with the recommended immunization schedule for measles, mumps, rubella, and varicella for adults, issued by the Center for Disease Control and Prevention (CDC) Advisory Committee on Immunization Practices (ACIP) shall be presumed to be unimmunized and subject to immunization, quarantine or isolation recommendations for the purposes of public health disease control.

Exemptions may be granted due to religious beliefs and practices or if a physician determines that the risk of harm from the vaccine outweighs the potential benefit.

New Students

If you have never attended credit courses at Walters State, you are classified as a new student. It is strongly advisable that you complete the application process several weeks prior to registration, especially if you are interested in receiving financial aid. Please call now.

APPLICATION

Complete a Walters State application form at [ws.edu](#). If you have questions, call 423-318-2763 or visit Senators Central located in the Student Services Building on the Morristown Campus or any of the Administrative Offices on the other WS campuses.

TRANSCRIPTS

Complete the transcript request form for your high school transcript and/or completion of the High School Equivalency Exam and submit with your application form. If you attended another college, you must request all college transcripts be sent to the WS Admissions office. Most colleges offer electronic delivery. Please check their websites to see if this option is available.

TEST SCORES

For Learning Support placement purposes, students may submit valid (no more than five years old) ACT/SAT scores, take the Accuplacer Next Gen exam through Counseling and Testing, or get placed into learning support courses.

CLASS SCHEDULING AND FEE PAYMENT

Review the enclosed registration calendar and fee payment calendar for the dates to register and pay fees.

First-time and transfer students may register for spring semester during the dates, as indicated in the Registration Calendar, provided that they have taken all appropriate tests (Accuplacer, ACT, SAT) and their admission file is complete in the Admissions Office.

Once a student is registered, their fees are due according to the published fee payment deadlines. All fees must be paid in full or a payment plan set up for registration to be complete.

Returning Students

If you attended fall semester, 2022, you are classified as a returning student.

SCHEDULING AND FEE PAYMENT

Review the enclosed registration instructions, registration calendar, and fee payment calendar for the dates to register and pay fees.

Readmitted Students

If your last semester of attendance was prior to fall semester, 2021, you are classified as a readmitted student.

APPLICATION

Readmitted students must reapply to reactivate their files. If you have questions, call 423-318-2763 or visit Senators Central located in the Student Services Building on the Morristown Campus or any of the Administrative Office on the other WS campuses.

TRANSCRIPTS

If you have attended other colleges or universities since last attending Walters State, you must have all your other transcripts sent to Walters State Admissions Office. If you are unable to get all transcripts by the first day of the term, contact 423-318-2763 for more guidance.

TEST SCORES

For Learning Support placement purposes, students may submit valid (no more than five years old) ACT/SAT scores, take the Accuplacer Next Gen exam through Counseling and Testing, or get placed into learning support courses.

CLASS SCHEDULING AND FEE PAYMENT

Review the enclosed registration calendar and fee payment calendar for the dates to register and pay fees.

Readmitted students may register for spring semester during the dates, as indicated in the Registration Calendar, provided that their application and admission file is complete.

Once a student is registered, their fees are due according to the published fee payment deadlines. All fees must be paid in full or a payment plan set up for registration to be complete.

All transcripts from previously attended institutions must be received prior to registration.

Registration Information

Spring 2023 Registration Calendar

You must see your advisor prior to registering through your [MyWS](#) account. First-time students will be permitted to register through **MyWS ONLY** after completing New Student Orientation online.

NOVEMBER 1 AT 8 A.M.

Continuous registration through MyWS begins. Closed only for daily back-up from 11:30 p.m.–2 a.m. (*Hours are approximate*)

Any paperwork required (ex. application, readmission form) may be filled out in the admissions office between the hours of 8 a.m. – 5:30 p.m., Monday – Thursday.

All fees must be received by the Cashier's Office or Off-Campus Centers by 4 p.m. on January 11.

Drop/Add Procedures

Adding may be done through Jan. 20. Dropping will continue throughout the semester according to the deadline dates noted within the Spring 2023 refund dates. Any additional fees incurred through drop/add must be received in the Cashier's Office of any campus centers by 4 p.m., Jan. 24. No adding may be done after Jan. 20.

There will be no new registrations, adding of additional courses, or re-registrations due to deletion of schedule after Jan. 20. All financial obligations must be cleared by 4 p.m., Jan. 24, or your enrollment this semester may be nullified.

Registration is NOT complete until all fees are paid or a payment plan is set up. This includes the adding of additional hours to your schedule.

Eligibility for Deferment of Payment of Tuition and Fees by Certain Eligible Students Receiving U.S. Department of Veterans Affairs or Other Governmentally Funded Educational Assistance Benefits

Service members, Veterans, and dependents of veterans who are eligible beneficiaries of U.S. Department of Veterans Affairs education benefits or other governmentally funded educational assistance, subject to the conditions and guidelines set forth in Tennessee Code Annotated 49-7-104 as amended, may elect, upon formal application, to defer payment of required tuition and fees until the final day of the term for which the deferment has been requested. Application for the deferment must be made no later than 14 days after the beginning of the term, and the amount of the deferment shall not exceed the total monetary benefits to be received for the term. (Students who have been granted deferments are expected to make timely payments on their outstanding tuition and fees balance once education benefits are being delivered, and eligibility for such deferment shall terminate if the student fails to abide by any applicable rule or regulation, or to act in good faith in making timely payments.) This notice is published pursuant to Public Chapter 279, Acts of 2003, effective July 1, 2003.

Registration Instructions

Information That Will Help You

Please read carefully!

Timetable Booklet — This booklet contains information relative to the applicable term, including dates known at the time of publication. The college reserves the right to make changes in cost, policies, and administrative procedures.

Violations — Access to register for class(es) and to drop/add class(es) is controlled by user name and password. Unauthorized use of MyWS to alter or attempt to alter another student's password may result in disciplinary actions, including suspension or termination.

When is registration? With MyWS, selection of class(es) is continuous once registration begins. Remember, the earlier you select your class(es), the more likely you are to get the classes you want.

When are fees paid? View fee payment options and due dates located within Fee Assessment and Payment Information.

Registration for new and former students using MyWS

Former students (not enrolled fall, 2022) must be readmitted by completing the necessary paperwork in Student Enrollment Services.

MyWS

The Continuous Registration System Begins Nov. 1, 2022.

ACCESS MyWS: My.ws.edu

- In order to register through MyWS, you must first meet with your advisor. Your advisor is located in the department of your major.
- If a class is closed or a time conflict exists, choose an alternate class or try later because some other student may have dropped from this class. An alternative is to go back to the division for the class you wish to add and seek permission. You may or may not be allowed in that class.
- When either adding or dropping a class, you must always use the five-digit CRN assigned to the class. If you receive financial aid, check with the Financial Aid Office before dropping to ensure you know the consequences (loss of aid, repayment) before dropping.
- If you experience any problems using MyWS, please feel free to contact Senators Central at 423-318-2763 or 1-800-225-4770.
- You may pay fees after you register either in person at the Cashier's Office of any campus, by mail, credit card, or electronic check using MyWS. Payments must be received in accordance to the fee-payment calendar. View Fee-Payment Calendar.
- You may enroll in a payment plan through MyWS. For additional information, refer to the [Cashier's Office webpage.](#)
- If you are on hold, you must clear this before you will be permitted to register.

International Education Fee is assessed to provide students with international experiences, international learning outcomes, applied experiences, and celebrations of global diversity. This is subject to the same refund procedures as in-state and out-of-state tuition.
- **Special Course Fees** — Assessed for designated courses such as music, law enforcement training program, health/physical education, culinary arts, and TN eCampus online courses. All Natural Science labs are assessed a \$15 special course fee. Please contact the Cashier's Office relative to specific fees (non-refundable). Review your "Student Account" through MyWS.

FEE WAIVERS/DISCOUNTS

WSSC will begin accepting fee waivers/discount forms on or after Nov. 11. All forms must be signed and dated on or after Nov. 11. Cashiers do not make eligibility decisions. Waivers/discounts calculated at time of payment are "good faith" reductions. If it is determined at a later date that a student is not eligible for the fee waiver/discount or the form is not complete, the student will be invoiced for their account balance or receive a letter with additional instructions.

Students who use a PC191 or state employee fee waiver may not register until Jan. 13 on a space-available basis.

Deferred Payment Plan

**OPTIONS AVAILABLE:
NOV. 8–JAN. 24 AT 4 P.M.**

- Students may enroll through MyWS or at the Cashier's Office.
- Available plans are subject to change without notification.
- Down payment due at time of enrollment.
- \$25 Service fee (non-refundable).
\$100 Minimum tuition/fee account balance due.
- Must be set up prior to fee-payment deadline to confirm enrollment.

Available Plans	Down Payment	Number of Installments	Installments Due

REFUNDS ARE DISBURSED BY THE FOLLOWING METHODS:

- Refunded to the credit card from which payment was made to student account within the past three months. Allow up to 14 business days for processing.
- Refunded by direct deposit if a refund profile has been successfully created at the time of processing.
- Refunds not processed by options 1 or 2 are issued as a paper check and mailed to a student's permanent home address on file.

NOTE: Only in-state tuition, technology access fee, international education fee, and out-of-state tuition are refundable fees.

Refunds occur when a student drops a course or courses which result in an adjusted cost associated with the course(s) dropped. Fees which may be adjusted are in-state tuition, technology-access fee, international-education fee, and out-of-state tuition.

- Situations which may result in an adjusted cost and a corresponding refund:
 - Dropping a course(s) which results in a class load of fewer hours and results in a lower cost.
 - Withdrawing from the college.
 - Canceled classes by WSCC. Not subject to prior notification.
 - Called to active military duty or National Guard service during the term.
 - Death of a student during the term.
- Fee adjustment calculation (cost adjustments):
 - Fees are adjusted 100% up to the official first day of the semester.
 - Fees are adjusted 100% due to canceled classes.

- Fees are adjusted 100% due to withdrawals as a result of being called to active military duty or National Guard service during the term after submitting appropriate documentation.
- Fees are adjusted 100% due the death of a student during the term.
- Course(s) dropped or student withdrawals occurring on or after the official start dates of the semester may result in an adjusted cost. See chart above for refund dates and deadlines.
- Costs are re-calculated based on adjusted enrollment:
 - Courses enrolled are charged 100% for all required costs plus.
 - 25% or 75% of costs associated with course(s) dropped and the dates the course(s) were dropped.
 - 75% refund period: Charged 25% of costs of dropped courses.
 - 25% refund period: Charged 75% of costs of dropped courses.
- A refund is the difference between the cost of originally enrolled hours and the adjusted cost as calculated.
- Refunds will only occur if the newly re-calculated costs are less than the original charges/costs paid.
- Not all drops/withdrawals result in a fee adjustment.
- Swapping courses on or after the official start date of the semester may result in additional penalties being charged to a students account for non-refundable fees.

Remember that ALL fees are NON-REFUNDABLE except in-state tuition, technology-access fee, international-education fee, and out-of-state tuition.

Testing Information

Academic Assessment and Placement

In compliance with the Tennessee Board of Regents policies, the following requirements apply to first-time regularly admitted students:

- Entering degree-seeking students with a regular high school diploma may submit valid ACT/SAT scores prior to registration. Alternatively, students may be evaluated for Learning Support (LS) needs by high school GPA. If a student has a valid unweighted high school GPA of 3.6 or higher LS classes will not be required. Valid ACT/SAT scores and GPA are those that are less than five (5) years old by the first day of classes. If you have not taken the ACT/SAT test battery, contact the Counseling and Testing Center. If you have taken the ACT/SAT but did not have your scores sent to Walters State Community College, contact the department of Admissions.
- No minimum ACT/SAT score is required for acceptance to Walters State Community College. Students with valid ACT/SAT scores equal to a minimum of 19 on the Math and Reading sections and 18 on the English section will be excused from Learning Support courses. Test scores are required as initial assessment for academic placement.

ACCUPLACER ASSESSMENT IS SUGGESTED FOR:

- All first-time degree-seeking freshmen who do not choose to take the ACT/SAT examination.
- All first-time degree-seeking freshmen entering on the basis of GED/HISET credentials who do not choose to take the ACT/SAT examination.
- International students submitting ACT/SAT scores below the minimum required or choosing not to take the ACT/SAT examination.
- Transfer students without college-level English composition, college-level reading-intensive credit, or college-level algebra-based mathematics credit who do not have valid minimum ACT/SAT scores.
- Non-degree seeking students who do not have valid minimum ACT/SAT scores interested in taking a college-level English composition, college-level reading-intensive credit, or college-level algebra-based mathematics must be assessed in the appropriate area.

NOTE:

There is no fee for the Accuplacer test, except in cases of a retest or a placement challenge, a \$10 fee is charged.

Students must register in advance for the ACT or the Accuplacer test.

All students need to complete an application to enroll at WSCC before scheduling the ACT Residual or Accuplacer test.

Contact the Counseling and Testing Center to schedule an exam by telephone at 423-585-6800 or access the Center's website at: [Testing Center](#).

If no placement scores are made available, students will be placed into applicable learning support courses.

General Education Test

Required for All Students Completing Degree Requirements. The State of Tennessee requires a general education exit exam for all Walters State students completing an Associate degree.

Students should take this exam in their last semester before graduation.

NOTES:

Contact the Counseling and Testing Center at 423-585-6800 to schedule a date for the exit examination, or schedule a test date through the testing website at: [WS Counseling and Testing](#).

All off-campus testing dates, times, and registration for Sevier, Greene and Claiborne sites will be available on the Counseling and Testing Center website: [WS Counseling and Testing](#). Students at off-campus sites may also call 423-585-6800 to schedule a testing date.

Bookstore

The Walters State bookstore is located on the Morristown Campus in room 140 of the Dr. Jack E. Campbell College Center building and operated by Follett Higher Education Group. The bookstore offers new and used textbooks, rental books, digital books, supplies, apparel, and other items. You can shop or find course material information online at [Shop WS Bookstore](#). If you have general questions, you can email bookstore@ws.edu or call the bookstore at 423-585-6884.

Hours

Bookstore hours will vary throughout the semester. The bookstore will have extended hours during the first week of class and at the end of the term for rental check in.

For an updated listing of hours, please visit [WS Bookstore](#).

Online Ordering

All textbook and course materials can be securely ordered online at [Shop WS Bookstore](#). Students may choose to have books shipped to their home or are available for pickup at the Morristown Campus Bookstore.

Morristown Campus:

Dr. Jack E. Campbell College Center (CCEN) — Room 140 (Bookstore)

Student Charges

Student charges must be made by 5 p.m. on Feb. 23, 2023. Student charges consist of Vocational Rehabilitation, Veterans Rehabilitation, WIOA, Knox Promise, etc. This does not include Pell Grant or other financial aid charges.

Textbook Rentals

Spring rentals are due back to the bookstore by 5 p.m. May 8, 2023, at the Morristown Campus.

You will receive email reminders about your rental at the email you provide during purchase. Books that are shipped to the bookstore must be received by May 15, 2023. Please do not send non-rental books by mail. **DO NOT SEND RENTAL BOOKS BY CAMPUS OFFICE MAIL.**

Textbook Refunds

Any textbooks purchased or rented in-store or online (before the start of classes) will receive a full refund at the Morristown Campus through Jan. 24, 2023.

- REFUNDS WILL NOT BE GIVEN WITHOUT A RECEIPT.
- Refund textbooks must come back in a sellable condition.
- After Jan. 24, 2023, standard two-day refunds apply to all textbook purchases and rentals.

Textbook Buyback

Textbook buybacks are done at the bookstore at the Morristown Campus. Buybacks can be done anytime during the year when the store is open. An official ID (i.e. Tennessee driver's license or identification card) and your Walters State "W" number are required for all textbook buybacks. The best time for textbook buyback is always at the end of each semester.

eText Program

Walters State Community College participates in the TBR-led Digital Engagement Initiative (DEI) program that attaches a digital textbook (eText) to certain classes. Things to know about the eText:

- Attaching the eText to classes allows immediate access to the course material on the first day of class.
- The cost of the text will be included in the tuition and fees for the class as a non-refundable, non-mandatory fee.

Students will receive an email from the bookstore with information on how to access the digital materials and will also provide a link to opt-out, if desired.

- Students may opt out of the program and purchase a book on their own.
- The deadline to opt out for spring 2023 is Feb. 2, 2023.
- If students are in multiple courses, they can opt out from one or multiple classes.
- If students choose to opt out, they will be required to purchase material for their courses on their own.

Students should be aware that certain types of aid will not cover the cost of the eText. If students have questions, they should consult with a financial aid representative at any campus.

Notes to Students

Attendance

Students must attend the first day of class or contact the instructor prior to the first class if they intend to remain in class. If this procedure is not followed, the students may be administratively dropped from the class, at the discretion of the instructor. Students who are withdrawn from classes under this policy will receive a drop form marked "Attendance Withdrawal."

Attendance for Financial Aid Recipients

For purposes of receiving educational financial aid, attendance is defined as "academic engagement." Academic engagement is the active participation in a required instructional activity related to the student's course of study which includes but is not limited to the following academically related activities:

- Attending a synchronous class, lecture, lab, physically or online, where there is opportunity for interaction between the instructor and students;
- Submitting an academic assignment;
- Taking an assessment or an exam;
- Participating in an interactive tutorial, webinar, or other interactive computer-assisted instruction;
- Participating in a study group, group project, or an online discussion that is assigned by the institution; or
- Interacting with an instructor about academic matters.

Academically related activities do NOT include activities where a student may be present but not academically engaged, such as:

- living in institutional housing,
- logging into an online class or tutorial without any further participation,
- participating in academic counseling or advisement.

For distance education students, students must participate in the class or otherwise engage in an academically-related activity.

Examples of acceptable evidence in a distance education course/program include, but are not limited to:

- student submission of an academic assignment,
- student submission of an exam,
- documented student participation in an interactive tutorial, webinar or other interactive or computer-assisted instruction,
- a posting by the student showing the student's participation in an online study group that is assigned by the institution,
- a posting by the student in a discussion forum showing the student's participation in an online discussion about academic matters, and
- an email from the student or other documentation showing that the student-initiated contact with a faculty member to ask a question about the academic subject studied in the course.

For complete information regarding "academic engagement" refer to CFR 600.2 .

Fee-Waiver / Discounts

WSSC will begin accepting fee waivers/discount forms on or after Nov. 11. All forms must be signed and dated on or after Nov. 11. Cashiers do not make eligibility decisions. Waivers/discounts calculated at time of payment are "good faith" reductions. If it is determined at a later date that a student is not eligible for the fee waiver/discount or the form is not complete, the student will be invoiced for their account balance or receive a letter with additional instructions.

Students who use a PC191 or state employee fee waiver may not register until Jan. 13 on a space-available basis.

Student Activities

The student activity period for spring semester 2023 will be on Wednesdays from 12:30–2:15 p.m. If you wish to participate in extracurricular activities, do not schedule classes during this time.

Distance Education Opportunities

Walters State offers learning opportunities for students who may not wish to travel to a Walters State campus for all classes. Several types of distance-learning opportunities — video-streaming courses, Walters State web-based (online) courses, hybrid courses and [TN eCampus](#) (previously called RODP/ROCC) courses — are offered this semester. For more information about these distance-learning opportunities, please come by the Division of Distance Education in room 126 of the College Center, or call 585-6996.

Hybrid (HYB)

Required scheduled real-time, live instruction. These classes indicate that there will be an opportunity for students to come to campus. Professors may develop a rotating schedule if the desire to be on campus exceeds room capacity. Times and room numbers are listed in the students' schedules. A hybrid class may only be on-ground for orientations and/or proctored exams. Please check the CRN course notes for these details.

Virtual Video (DVC)

Required real-time, live instruction. These classes indicate that there will not be an opportunity for students to come to campus — all meetings will be virtual (via Zoom, Teams, etc.) A time is listed in the students' schedules, but no room number is listed.

WEB-Based (WEB)

These classes are 100% online, web-based with no on-ground or real-time, live-meeting requirements. Please see [Student Responsibilities in Taking an Online Course](#). No room or time is listed in the students' schedules.

TN eCampus (RD1)

This is a course through [TN eCampus](#). Additional fees and proctored exams may apply. These classes are 100% online, web-based with no on-ground or virtual (Zoom, Teams, GoToMeeting, etc.) meeting requirements. These classes take place in a different Learning Management System and not Walters State's eLEARN. This course may require on-site or virtual proctoring that utilizes an online proctoring platform. No room or time is listed in the students' schedules.

Conventional (CON)

Courses meet "face-to-face" for lecture and/or lab instruction; however, some course materials/activities may be online and require some internet access. Online components may include access to course content, course notes, resources, and assessments. Times and room numbers will be listed and provided in students' schedules.

Video Streaming (TWY)

Video-streaming courses (TWY) follow traditional class meeting schedules, while providing students the opportunity to attend class sessions at one of Walters State's four campuses in Niswonger (Greeneville), Sevierville, Tazewell or Morristown). Video-streaming courses are good choices for students who may be unable to travel to one particular campus for a particular course. Instructors can deliver instruction from any of the four campuses to students at the other three campuses.

Students at the distance locations can see and interact with the instructor and students at other sites via closed-circuit television technology. Times and room numbers will be listed and provided in students' schedules.

Lab Instruction may Vary as Follows:

- **WEB Lab** — Students will not come to campus. Work is online and uses simulations, etc.
- **Hybrid Lab** — Students must come to campus to complete labs in-person. Faculty will work with legitimate inabilities to get to campus as they arise. Online experiments may also be used.
- **DVC Lab** — Students will not come to campus but some of the labs will be completed in real-time, virtual class settings using Teams or Zoom. Online experiments may also be used.

TN eCampus Courses

TN eCampus courses are offered as part of the [TN eCampus](#) mode of delivery. Students interested in these courses should contact Matthew Hunter at 423-585-6996. Students can also obtain information concerning this mode of delivery at the TN eCampus.

Please be advised that separate fees will be assessed for students enrolling in these courses. In addition to the fees assessed for these classes, there will be a course delivery fee of \$68 per credit hour. Out-of-state students must pay out-of-state tuition in addition to the regular maintenance fee. Please note that UNDER CURRENT VETERANS ADMINISTRATION REGULATIONS, NO WEB-BASED DEVELOPMENTAL STUDIES COURSE MAY BE CERTIFIED FOR BENEFITS PURPOSES. If you have questions, please contact Jason Wilder in SSB U182, 423-585-6896. These classes are defined with a section number of R50.
