*For more information, call 423-585-2675 or 423-585-6756 or visit www.ws.edu/kidscollege*
Classes for 2015
(Alphabetical Order)

Note: All classes are offered June 15-18 and June 22-25

NO FLIP FLOPS OR SANDALS ALLOWED IN ANY CLASS

3-D, Nature, Cartoon and Animation Drawing
GR 3-5, 6-8
This course will be chalked full of fun. Students will have the opportunity to express themselves through 3-D drawing using one and two dimensional techniques while incorporating shading and shadows and the breakdown of the face. The fun doesn’t stop there how about some cartoon and animation drawing like the animators of Disney. Students will study the art of stop animation, animal images and fantasy drawing. And last but not least, students will also try their drawing hands at plants, people and animals.

Blast Off
GR 3-5, 6-8
Emphasis in this class will be placed on using laboratory equipment to perform basic physics experiments. Subjects included will be mechanics, electricity and magnetism, optics (including lasers and telescopes) and sound. The physics of rocket flight will be discussed and model rockets will be launched as part of the experiments.

Bot-Ball Wars
GR 3-5, 6-8
An introduction to the world of robotics, with hands on activities using compressed air, hydraulics, and electric motors. Also includes a robotics competition to test the students’ teamwork and robot manipulations skills.

Film Makers
GR 3-5, 6-8
Are you the next producer of Harry Potter, Twilight Saga or a Disney movie? If so, this course will cover the basics of making a film. Using Microsoft Movie Maker, students will learn how to blend still photos, clips, music and audio together to make great home videos. Students will gather images from the internet. In addition, learn how to add titles, text overlays, special effects and credits to transform their summer production into a blockbuster. Student movies will be ready to show off to family and friends. Students are encouraged to bring their own photos on a CD or jump drive.

Forensic Files
GR 3-5, 6-8
Forensic science (often shortened to forensics) is the application of a broad spectrum of sciences to answer questions of interest to the legal system. This may be in relation to a crime or to a civil action. Students will learn how to use a broad range of scientific principles to solve a crime or legal scenario.

Get Your Bling On
GR 3-5, 6-8
Students will be exposed to the different aspects of jewelry design which consists of learning the proper terms, tools and design techniques. This course will allow students to come up with a design concept and make that concept come to life using the different beading techniques. Creativity is left to the student when they craft their own designs. Students will get a choice of two design projects to complete while in the class. In addition, this class will include talks on subjects such as research, history of fashion/costume, textiles, and cost-effectiveness of ideas, fabric suitability and market research.

JAWS!! Shark Attack!!
GR 6-8
Shark Attack (Marine Biology) is the study of living organisms in the ocean or other marine or brackish bodies of water. Students will learn from an area expert about how marine biology differs from marine ecology and families and genera have some species that live in the sea and others that live one land. Students will be dissecting shark specimens.

Just Dance!! Let’s Bust a Move!!
GR 3-5, 6-8
This course will offer students the opportunity to be introduced to a variety of dance styles. Dance styles to include: ballet, jazz, lyrical/contemporary, zumba and hip-hop. Students must wear comfortable clothing and tennis shoes. No sandals or flip flops allowed.

Just Dig It!
GR 3-5, 6-8
Join in an adventure to uncover some of the mysteries of our past. In this class you will learn what archaeology is and about the basic skills used by archaeologists today. You will unearth information about Egyptian mummies and hieroglyphics; as well as learn how people from the past lived based on the things (artifacts) they left behind. Put on your hard hats and get out your trowels and Just Dig It!
Nature Detectives  
GR 3-5, 6-8  
Participants will explore the arboretum trail on the main campus of Walters State Community College. We will look at plant life, animal life, and soil composition among other topics. During this class, students will be able to develop an understanding about the plant and animal life we find, the habitats they belong in, and how this understanding impacts our environment.

Pottery  
GR 3-5, 6-8  
Join us for an adventure with clay. This class encourages participants to develop their creative ability and to express themselves artistically. Please bring an apron or over shirt to protect your clothing from staining and bring snacks. Also bring a box to bring home your fabulous treasures at the end of the week. NOTE: Participants registering for Pottery may only sign up for two additional classes.

Spy Kids  
GR 3-5, 6-8  
Students will study and practice some of the basic skills and fundamentals in collecting evidence, as it would relate to a crime scene in the role of detective, forensic scientist and lawyer. Excitement builds as students examine clues, make a case and bring it to trial. This is an excellent course to relate how essential science and math are to the study of forensic science.

WaterWorld  
GR 3-5  
We will be studying water in WaterWorld. We will focus on freshwater and the types of fishes that live there. We will also be examining some types of water for microscopic life that calls it home. We will study the importance of water.

Web Design  
GR 3-5, 6-8  
In this class we will teach you how to make your very own web page to share your creations with your friends and the world! Students will learn basic web design techniques and language such as html and the use of CSS. Participants will also cover; what should and should not be shared, copyright rules and regulations, and overall web safety.

Games Galore  
GR 3-5, 6-8  
Participants will develop leadership skills to include problem-solving, delegation, trust building and communication to name a few. This course involves activities that help build skills needed for leadership and teamwork. There will be many challenges both inside and outside of the classroom as participants navigate through leadership and team building games.

Registration Deadline - June 8, 2015

Classes may fill prior to the deadline date and if so, we may have to refuse applications prior to deadline

Registrations submitted with incomplete information; lack of payment; lack of liability, youth programs-code of conduct and release forms will NOT be processed.

Students Packets will be mailed to the student’s registration address during the week of June 8, 2015. Packets will include the following: Student Schedule, General Policy Information Packet and Cafeteria Menu/Price List.
Walters State Community College
2015 KIDS COLLEGE
Liability Release, Waiver, Discharge And Covenant Not To Sue

This is a legally binding Release executed by:

Name of Student ____________________________,
Street Address ______________________________
City, State, Zip ____________________________
hereinafter referred to as the “Student”, and by,

Name of Parent or Guardian ____________________________,
whose address, if different from the Student’s is:
Street Address ______________________________
City, State, Zip ____________________________
hereinafter referred to as “Parent/Guardian”, to Walters State Community College (“College”), 500 South Davy Crockett Parkway, Morristown, Tennessee 37813-6899.

1.0 We, the undersigned request that the Student be granted permission to participate in the 2014 Kids College (“KC”), to be held at the College’s main campus at 500 South Davy Crockett Parkway, Morristown, Tennessee 37813-6899 on the following dates:
June 15-18, 2015 and/or June 22-25, 2015.

1.1 Some KC classes include activities that are more dangerous than others. The Student is not required to participate in any class that the Student or Parent/Guardian perceives as too risky. KC classes on the main campus may include classes wherein the Student may be exposed to common laboratory chemicals. Some classes will be conducted in a laboratory setting containing laboratory equipment and paraphernalia and the Student may participate in dissection activities. All of the above named activities involve the use of materials and equipment that may cause bodily harm if improperly used. The Student will be supervised at all times while engaged in these activities.

1.2 The College reserves the right to cancel classes, or other activities contained therein or prevent the Student from participating in such classes or class activities if, in the College’s sole judgment, such classes, activities, or participation may seriously endanger the Student or other Students or otherwise be harmful or inconsistent with the normal practices and philosophy of the College and all applicable policies of the Tennessee Board of Regents.

2.0 In consideration of the Student being permitted to participate in KC, we do release, waive, forever discharge, and covenant not to sue the College, its governing board, officers, agents, employees, and any students acting as employees (“Releases”), from and against any and all liability for any harm, injury, damage, claims, demands actions, causes of action, costs, expenses of any nature which the Student may have or which may hereafter accrue to the Student, arising out of or related to any loss, damage, or injury, including but not limited to suffering and death, that may be sustained by the Student or by any property belonging to me, whether caused by the negligence or carelessness of the Releases, or otherwise, while the Student is in, on, upon, or in transit to or from the premises where KC, or any adjunct to KC, occurs or is being conducted.

3.0 We have signed this “Release, Waiver, Discharge, and Covenant Not to Sue” in full recognition and appreciation of the dangers, hazards, and risks of such activities, which dangers include but are not limited to those described in Sections 1.1 of this Release, and which could include serious or even mortal injuries and property damage. We further attest that we have fully discussed the aforementioned risks and hazards, and the Student and the Student’s Parent/Guardian agree that the Student has individually assumed the risks involved with KC as witnessed below.

4.0 We understand and agree that Releasees do not have medical personnel available at the location of the Student or on the campus. We understand and agree that Releasees are granted permission to authorize emergency medical treatment, if necessary, and that such action by Releasees shall be subject to the terms of this Agreement. We understand and agree that Releasees assume no responsibility for any injury or damage which might arise out of or in connection with such authorized emergency medical treatment.

5.0 It is our express intent that this Release and hold harmless agreement shall bind the members of the Student’s family, if the Student is alive, and the Student’s family, estate, heirs, administrators, personal representatives, or assigns, if the Student is
deceased, and shall be deemed as a “Release, Waiver, Discharge and Covenant Not to Sue” the Above-Named Releases. The Student’s Parent/Guardian further agrees to save and hold harmless, indemnify, and defend Releases from any claim by the Student or the Student’s family, arising out of the Student’s participation in KC.

6.0 In signing this Release, the Student and the Student’s Parent/Guardian acknowledge and represent that we have fully informed ourselves of the content of this Release of liability and hold harmless agreement by reading it before we sign it, and that we have reviewed it the Student understands what it means and that we sign this document as our free act and deed. No oral representations, statements, or inducements, apart from the foregoing written statement, have been made. We further state that there are no health-related reasons or problems which preclude or restrict the Student’s participation in KC, and that the Student has adequate health insurance necessary to provide for and pay any medical costs that may be attendant as a result of injury to the Student.

7.0 We further agree that this Release shall be construed in accordance with the laws of the State of Tennessee. If any term or provision of this Release shall be held illegal, unenforceable, or in conflict with any law governing this Release, the validity of the remaining portions shall not be affected thereby.

I, the Student’s Parent/Guardian, further state that I am the Student’s Parent/Guardian, and am fully competent to sign this Agreement; and that I execute this Release for full, adequate, and complete consideration fully intending for myself, for the Student, and for the Student’s family, estate, heirs, administrators, personal representatives, or assigns to be bound by the same.

IN WITNESS WHEREOF, we have executed this release this _____ day of _______________, 2015.

THIS IS A RELEASE OF LEGAL RIGHTS. READ BEFORE SIGNING.

PARENT OR GUARDIAN                      STUDENT

Signature of Parent/Guardian                      Date   Signature of Student                      Date

TENNESSEE BOARD OF REGENTS
Walters State Community College

I do hereby authorize Walters State Community College and those acting under its authority to:
Record my participation, statements, and appearance on videotape, audiotape, film photography, or any other medium.
Use my name, likeness, voice, and biographical materials in connection with these recordings.
Exhibit or distribute such recording in whole or in part without restrictions or limitations for any educational or promotional purpose which Walters State Community College and those acting under its authority deem appropriate. Exhibition or distribution may be through television, home video playback devices, audio visual library services or unspecified media.

These rights are granted to Walters State Community College and apply throughout the World.

Signature of Parent/Guardian
Walters State Community College, Division of Workforce Training is committed to providing quality educational opportunities to people of all ages. Our youth programs are designed to offer young people a variety of classes to teach skill development, college preparation, and other special interest areas. Programs are offered at a variety of dates and times to audiences from 8 years old to high school students. The major focus of our youth development programs is Talented and Gifted and Kids College – a series of hands-on, discovery-based educational classes offered during the winter and summer months.

Participation in the Division of Workforce Training youth programs is subject to the observance of rules and regulations. Any participant who knowingly violates the Code of Conduct is subject to discipline, up to and including removal from the activity he or she is participating in or the entire program. Determination of disciplinary action shall be done by the youth program coordinator or dean.

Youth Participation Expectations:
- Participate fully in the program, activity and/or event
- Be responsible for your own behavior/conduct; accept consequences for inappropriate behavior
- Follow the direction of the staff/instructor
- Show respect to others by being courteous and respectful
- Use appropriate language at all times

Behavior, Conduct or Activity Not Permitted:
- Aggressive, physical behavior i.e. fighting
- Belittling others; putting others down and being disrespectful of individual differences
- Taking property that belongs to others, stealing, borrowing/using others’ property without permission of the owner
- Improper language, i.e. profanity
- Possession or consumption of alcohol
- Possession of use of illegal drugs, including the use of tobacco
- Possession or use of weapons
- Possession or use of harmful objects with the intent to harm or intimidate others
- Destruction of property; graffiti, etc.
- Disrespect for adults, other participants, volunteers, staff and/or those in a leadership position
- Other conduct determined to be inappropriate by the dean, youth coordinator, and youth staff members

Actions Taken When in Violation of Code of Conduct
- Walters State Community College may remove a child at any time.
- The youth participant involved in the violation will be notified or made aware of the violation by the Division of Workforce Training youth coordinator or dean.
- The parents will be notified of the incident and the actions taken by the Division of Workforce Training youth coordinator or dean.
- When necessary, participants may be removed from the youth program.
- When warranted (i.e., violation of TN laws) the situation may also be reported to the proper enforcement authorities.
- All decisions made by Walters State Community College are final and there is no right of appeal.

I __________________________ have read and understand Walters State Community College, Division of Workforce Training, Youth Programs-Code of Conduct. I agree to abide by the rules described above and understand that I may be removed as a participant if I violate any of these rules.
