**Initial next to each item after reading. In requesting deferment of payment of tuition and fees, my initials certify my understanding of each statement.**

\_\_\_\_\_ I understand I must have adequate remaining entitlement with an expiration date within the current term (or after) to a VA educational benefit program.

\_\_\_\_\_ I have formally requested an enrolment certification through the school's VA Certifying Official office and expect to receive benefit payments for the current term.

\_\_\_\_\_ I understand that if I do not receive the education benefits, I am still required to pay all tuition and fees to Walters State Community College (WSCC).

\_\_\_\_\_ I understand the tuition and fees deferred are subject to the College's late registration and refund policies and I am obligated to pay costs associated with these policies and charges from the Department of Veterans Affairs to include fees charged due to changes in enrollment. Withdrawal on or after the first day of classes does not eliminate this obligation.

\_\_\_\_\_ I understand my eligibility for tuition and fee deferments under T.C.A. 49-7-104 may terminate if I do not follow applicable rules and regulations or otherwise fail to act in good faith with timely and reasonable payment(s) of tuition and fees.

\_\_\_\_\_ I understand all academic records and enrollment registration may be held if all financial obligations to the College are not met in a timely manner. I further understand that once payments are made by the VA, my tuition and fees must be paid in full for the current term before I will be allowed to register for classes for subsequent terms. The VA Certifying Official receives periodic reports from the VA of educational benefit payments made to students.

\_\_\_\_\_ I understand a tuition and fees deferment does not pay my tuition and fees, it only allows an extension of time to the last day of the term, or when I receive educational benefit payments for the semester, whichever comes first. I understand that my tuition and fees covered by VA are the only fees subject to the extension. (VA does not pay International or late fee). All other fees are due & payable in accordance to published fee payment deadlines.

\_\_\_\_\_ I understand that if I receive other assistance before receiving my VA benefits, it will apply to my outstanding tuition and fees and all tuition and fees will be paid in full before any excess will be disbursed to me.

\_\_\_\_\_ I understand all my classes MUST be part of my degree/certificate plan. Only classes needed for my degree/certificate plan will be certified to the VA for payment.

\_\_\_\_\_ I must inform the Veterans Affairs Coordinator's office of any changes in my schedule (ADD/DROP).

\_\_\_\_\_ I understand I must attend all my classes. If I stop attending any of my classes, I must formally withdraw and notify the VA Coordinator's office and that I will be responsible for any debts incurred.

For Tuition Assistance (TA), Tennessee STRONG ACT, or Military Spouse Career Advancement Accounts (MyCAA) students:

\_\_\_\_\_ I consent for Walters State Community College to release my semester grades to the Department of Defense for the purpose of reporting for payment of tuition and fees.

**Using MGIB Chapter 30 or 1606 verify attendance monthly through W.A.V.E. at [www.gibill.va.gov/wave/index.do](http://www.gibill.va.gov/wave/index.do)**
