

Access Achievement Award Request for Reinstatement

Name: _____

WS ID: _____

Students will have a one-time option to regain the Access Achievement Award if they lose the scholarship due to failure to meet the standards required to maintain eligibility. The student will regain eligibility the first term after they have achieved or satisfied the required standard. Students that are placed on financial aid removal must file a financial aid appeal to be considered. Awards are not retroactive.

It is the student's responsibility to notify Financial Aid of their change of eligibility.

I hereby request that my eligibility for the Access Achievement Award be reviewed for reinstatement in the _____ semester based on the following reason:

Semester/year

- Not meeting GPA requirements
- Not meeting Satisfactory Academic Progress standards (*SAP appeal must be approved prior to receiving award*)
- Dropping full-time to part-time
- Non-continuous enrollment
- Request for Extension (*requires copy of acceptance letter in a program of study that requires six semesters*)

I certify that the information and documentation submitted for reinstatement is true and accurate to the best of my knowledge.
