About Walters State

WSCC Vision

Walters State, as a premier community college, will be committed to increasing educational attainment and workforce preparedness through excellence in teaching and service.

WSCC Mission

Through a focus on student success and innovative teaching, Walters State enriches the lives of our students and our community.

Expanded Mission Statement

Through a focus on student success and innovative teaching, Walters State enriches the lives of our students and our community. The college:

- Provides affordable, convenient access through multiple campuses, innovative technology, and distance education.
- Collaborates with other educational institutions to promote access, completion, and transfer.
- Partners with community businesses and organizations to meet specific educational and workforce needs.
- Offers programs of study leading to associate degrees or certificates.
- Provides pathways to institutional support services that improve student engagement and success.
- Fosters an inclusive campus community through cultural awareness, diversity and open dialogue.
- Delivers public service and non-credit programs in support of workforce training and personal development.
- Invests in highly qualified faculty and staff.
- Creates a culture of continuous improvement and accountability.
- Seeks external sources of support and funding to further educational opportunities.
- Provides resources to support community engagement and initiatives.

WSCC Campus Police

Pursuant to the provisions of the "College and University Security Information Act", Public Chapter No. 317, enacted by the 1989 General Assembly, WSCC makes available crime rates and statistics, as well as security policies and procedures to interested parties. Fall Semester 2025

All tuition/fees will be due Wednesday, Aug. 20, 5 p.m.
Unpaid balances may result in the student's class schedule being dropped.

Fees incurred Aug. 21 - Sept. 3 are due by 5:00 pm. on September 3. There will be no registration or adding of classes after August 29.

Financial Aid Refunds

Students receiving a financial aid refund may set up a refund profile through [MyWS](#) to have their funds returned to them in the form of a direct deposit to a checking or savings account. In order to have your funds direct deposited, your refund profile must be set up by Sunday, Aug. 17. For students who choose not to have funds direct deposited, a check will be issued, printed, and mailed to the students' permanent address on file.

Students will receive an electronic notification through Senators Mail when refunds have been processed either by direct deposit or mailed check. Students must monitor their Senators Mail account for communications. Staff in Financial Aid or the Cashier's Office will not be able to determine when your credit balance will be processed as this is an automated process.

The Cashier's Office will begin disbursing financial aid refund balances Sept. 16. Students must have attended all classes and the attendance must be reported before credit balances are issued. Initial attendance or completion of another academically related activity is mandatory to be eligible for Federal Title IV aid.

Attendance status: Students may view their attendance status through [MyWS](#).

• [Login to MyWS \(my.ws.edu\)](#)

- Select **Student**
- Select **Student Records**
- Select **Attendance Reporting**

Financial aid refunds are only processed for students whose attendance has been confirmed in all course(s) enrolled.

RETURNED CHECKS / DIRECT DEPOSIT

Returned checks — The Cashier's Office makes multiple attempts at contacting a student through Senators Mail, phone calls, etc.

Returned direct deposits — Students are notified through Senators Mail with additional instructions. A paper check will be issued and mailed to a student's permanent address on file.

LOST CHECKS

A lost check may be reissued after 14 business days (excluding holidays) upon presenting an Indemnity Bond (completed, signed, and notarized) to the Morristown Cashier's Office.

PROVISION FOR BOOKS AND SUPPLIES

Students who have authorized aid in excess of tuition and fees as of Aug. 17 are eligible to receive an advance of funds to apply toward the purchase of books and supplies. The advance is the lesser of the student's credit balance or \$725. Only students meeting all of the eligibility requirements as of this date qualify for this provision. All recipients of a book advancement will receive an email notification through Senators Mail once the book advancement has been processed. Book advancements are scheduled to be disbursed Aug. 19.

Students are awarded financial assistance under the assumption that the student will complete all classes for the entire period for which assistance is awarded. If students withdraw, cease attendance or never attend courses for which they are scheduled to begin, they may no longer be eligible for the amount of aid originally awarded or disbursed. This may result in a repayment of funds, including the advance for books and supplies, to the institution.

The remaining balance of aid in excess of tuition and fees is scheduled to be disbursed beginning Sept. 16. Engagement/attendance must be reported in all courses prior to the aid being released. Any further questions regarding balance of aid should be addressed to the Cashier's Office.

e-Text Program

Walters State Community College participates in the TBR led Digital Engagement Initiative (DEI) program that attaches a digital textbook (e-text) to certain classes. Things to know about the e-Text:

- Attaching the e-Text to classes allows immediate access to the course material on the first day of class.
- The cost of the text will be included in the tuition and fees for the class as a non-refundable, non-mandatory fee.

Students will receive an email from the bookstore with information on how to access the digital materials and will also provide a link to opt-out, if desired.

- Students may opt out of the program and purchase a book on their own.
- The deadline to opt out for fall is Sept. 8.
- If students are in multiple courses, they can opt-out from one or multiple classes.
- Accessing the eText is considered as opting in and students will no longer be able to opt out.
- If students choose to opt-out, they will be required to purchase material for their courses on their own.

Students should be aware that certain types of aid will not cover the cost of the e-Text. If students have questions, they should consult with a financial aid representative at any campus.

Registration is NOT complete until all fees are paid or a payment plan is set up. This includes the adding of additional hours to your schedule.

Eligibility for Deferment of Payment of Tuition and Fees by Certain Eligible Students Receiving U.S. Department of Veterans Affairs or Other Governmentally Funded Educational Assistance Benefits

Service members, Veterans, and dependents of veterans who are eligible beneficiaries of U.S. Department of Veterans Affairs education benefits or other governmentally funded educational assistance, subject to the conditions and guidelines set forth in Tennessee Code Annotated 49-7-104 as amended, may elect, upon formal application, to defer payment of required tuition and fees until the final day of the term for which the deferment has been requested. Application for the deferment must be made no later than 14 days after the beginning of the term, and the amount of the deferment shall not exceed the total monetary benefits to be received for the term. (Students who have been granted deferments are expected to make timely payments on their outstanding tuition and fees balance once education benefits are being delivered, and eligibility for such deferment shall terminate if the student fails to abide by any applicable rule or regulation, or to act in good faith in making timely payments.) This notice is published pursuant to Public Chapter 279, Acts of 2003, effective July 1, 2003.

Registration Instructions

Information That Will Help You

Please read carefully!

Timetable Booklet — This booklet contains information relative to the applicable term, including dates known at the time of publication. The college reserves the right to make changes in cost, policies, and administrative procedures.

Violations — Access to register for class(es) and to drop/add class(es) is controlled by user name and password. Unauthorized use of MyWS to alter or attempt to alter another student's password may result in disciplinary actions, including suspension or termination.

When is registration? With MyWS, selection of class(es) is continuous once registration begins. Remember, the earlier you select your class(es), the more likely you are to get the classes you want.

When are fees paid? View fee payment options and due dates located within Fee Assessment and Payment Information.

Registration for new and former students using MyWS

Former students (not enrolled spring, 2025) must be readmitted by completing the necessary paperwork electronically in Senators Central or any campus main office.

HOW TO USE MYWS FOR REGISTRATION

To Add/Drop Courses:

- Visit [MyWS](#).
- Enter user name.
First-time visitors, please select "Activate your Account."
- Select "Register" Icon.
- Click on "Add or Drop Classes."
- Select the "Appropriate Term" and click "Submit."
- If you have any required learning-support courses, they will be listed at the top of the page.
- If you know the CRN for the course, you may enter the five-digit CRN in the "Add Classes Worksheet."
- Once the desired CRN(s) is listed in the worksheet, click "Submit Changes."

You will receive one of the following messages:

- “Web Registered” / You have been registered in the course.
- “Registration Add Errors.”
You have errors that need to be corrected. You may encounter the following errors:
 - **PREQ and Test Score-Error** — Either the course you are registering for has a prerequisite or you are not eligible to take the course based on your test scores.
 - **Duplicate CRN** — You have already registered for the course using the same CRN or another CRN assigned to that same course.
 - **CRN Does Not Exist** — Invalid CRN number.
 - **Time Conflict** — The course you are trying to register for has a time conflict with another course for which you are registered.
 - **Repeat Grade Restriction** — You have already taken the course you are trying to register for and made an A or B in the course.
 - **Section Closed** — Class is full.

If you encounter any of these errors and need assistance, please contact: Senators Central | 423-585-2600

You can view a detailed schedule of registered classes by clicking “Student Detail Schedule” on the main menu of SSB, or by clicking the Class Schedule icon within MyWS.

MyWS

The Continuous Registration System Begins Apr. 7, 2025

ACCESS MyWS: [My.ws.edu](https://my.ws.edu)

- In order to register through MyWS, you must first meet with your advisor. Your advisor is located in the department of your major.
- If a class is closed or a time conflict exists, choose an alternate class or try later because some other student may have dropped from this class. An alternative is to go back to the division for the class you wish to add and seek permission. You may or may not be allowed in that class.
- When either adding or dropping a class, you must always use the five-digit CRN assigned to the class. If you receive financial aid, check with the Financial Aid Office before dropping to ensure you know the consequences (loss of aid, repayment) before dropping.
- If you experience any problems using MyWS, please feel free to contact Senators Central at 423-585-2600 or 1-800-225-4770.
- You may pay fees after you register either in person at the Cashier’s Office of any campus (except Newport Center), by mail, credit card, or electronic check using MyWS. Payments must be received in accordance to the fee-payment calendar. View Fee-Payment Calendar.
- You may enroll in a payment plan through MyWS. For additional information, refer to the Cashier’s Office webpage.
- If you are on hold, you must clear this before you will be permitted to register.

REFUNDS ARE DISBURSED BY THE FOLLOWING METHODS:

- Refunded to the credit card from which payment was made to student account within the past three months. Allow up to 14 business days for processing.
- Refunded by direct deposit if a refund profile has been successfully created at the time of processing.
- Refunds not processed by options 1 or 2 are issued as a paper check and mailed to a student's permanent home address on file.

NOTE: Only in-state tuition, technology access fee, international education fee, and out-of-state tuition are refundable fees.

Refunds occur when a student drops a course or courses which result in an adjusted cost associated with the course(s) dropped. Fees which may be adjusted are in-state tuition, technology-access fee, international-education fee, and out-of-state tuition.

- Situations which may result in an adjusted cost and a corresponding refund:
 - Dropping a course(s) which results in a class load of fewer hours and results in a lower cost.
 - Withdrawing from the college.
 - Canceled classes by WSCC. Not subject to prior notification.
 - Called to active military duty or National Guard service during the term.
 - Death of a student during the term.
- Fee adjustment calculation (cost adjustments):
 - Fees are adjusted 100% up to the official first day of the semester.
 - Fees are adjusted 100% due to canceled classes.

- Fees are adjusted 100% due to withdrawals as a result of being called to active military duty or National Guard service during the term after submitting appropriate documentation.
- Fees are adjusted 100% due the death of a student during the term.
- Course(s) dropped or student withdrawals occurring on or after the official start dates of the semester may result in an adjusted cost. See chart above for refund dates and deadlines.
- Costs are re-calculated based on adjusted enrollment:
 - Courses enrolled are charged 100% for all required costs plus.
 - 25% or 75% of costs associated with course(s) dropped and the dates the course(s) were dropped.
 - 75% refund period: Charged 25% of costs of dropped courses.
 - 25% refund period: Charged 75% of costs of dropped courses.
- A refund is the difference between the cost of originally enrolled hours and the adjusted cost as calculated.
- Refunds will only occur if the newly re-calculated costs are less than the original charges/costs paid.
- Not all drops/withdrawals result in a fee adjustment.
- Swapping courses on or after the official start date of the semester may result in additional penalties being charged to a students account for non-refundable fees.

Remember that ALL fees are NON-REFUNDABLE except in-state tuition, technology-access fee, international-education fee, and out-of-state tuition.

Testing Information

Academic Assessment and Placement

In compliance with the Tennessee Board of Regents policies, the following requirements apply to first-time regularly admitted students:

- Entering degree-seeking students with a regular high school diploma may submit valid ACT/SAT scores prior to registration. Alternatively, students may be evaluated for Learning Support (LS) needs by high school GPA. If a student has a valid unweighted high school GPA of 3.6 or higher LS classes will not be required. Valid ACT/SAT scores and GPA are those that are less than five (5) years old by the first day of classes. If you have not taken the ACT/SAT test battery, contact the Counseling and Testing Center. If you have taken the ACT/SAT but did not have your scores sent to Walters State Community College, contact the department of Admissions at 423-585-2685.
- No minimum ACT/SAT score is required for acceptance to Walters State Community College. Students with valid ACT/SAT scores equal to a minimum of 19 on the Math and Reading sections and 18 on the English section will be excused from Learning Support courses. Test scores are required as initial assessment for academic placement.

ACCUPLACER ASSESSMENT IS SUGGESTED FOR:

- All first-time degree-seeking freshmen who do not choose to take the ACT/SAT examination.
- All first-time degree-seeking freshmen entering on the basis of GED/HISET credentials who do not choose to take the ACT/SAT examination.
- International students submitting ACT/SAT scores below the minimum required or choosing not to take the ACT/SAT examination.
- Transfer students without college-level English composition, college-level reading-intensive credit, or college-level algebra-based mathematics credit who do not have valid minimum ACT/SAT scores.
- Non-degree seeking students who do not have valid minimum ACT/SAT scores interested in taking a college-level English composition, college-level reading-intensive credit, or college-level algebra-based mathematics must be assessed in the appropriate area.

NOTE:

There is no fee for the Accuplacer test, except in cases of a retest or a placement challenge, a \$10 fee is charged.

Students must register in advance for the Accuplacer test.

All students need to complete an application to enroll at WSCC before scheduling the Accuplacer test.

Contact the Counseling and Testing Center to schedule an exam by telephone at 423-585-6800 or access the Center's website at: Testing Center.

If no placement scores are made available, students will be placed into applicable learning support courses.

General Education Test

Required for All Students Completing Degree Requirements.

The State of Tennessee requires a general education exit exam for all Walters State students completing an Associate degree.

Students should take this exam in their last semester before graduation.

NOTES:

Contact the Counseling and Testing Center at 423-585-6800 to schedule a date for the exit examination, or schedule a test date through the testing website at: WS Counseling and Testing.

All off-campus testing dates, times, and registration for Sevier, Greene and Claiborne sites will be available on the Counseling and Testing Center website: WS Counseling and Testing. Students at off-campus sites may also call 423-585-6800 to schedule a testing date.

Bookstore

The Walters State bookstore is located on the Morristown Campus in room 140 of the Dr. Jack E. Campbell College Center building and operated by Follett Higher Education Group. The bookstore offers new and used textbooks, rental books, digital books, supplies, apparel, and other items. You can shop or find course material information online at Shop WS Bookstore. If you have general questions, you can email bookstore@ws.edu or call the bookstore at 423-585-6884.

Hours

Bookstore hours will vary throughout the semester. The bookstore will have extended hours during the first week of class and at the end of the term for rental check in.

For an updated listing of hours, please visit WS Bookstore.

Online Ordering

All textbook and course materials can be securely ordered online at Shop WS Bookstore. Students may choose to have books shipped to their home or are available for pickup at the Morristown Campus Bookstore.

Morristown Campus:

Dr. Jack E. Campbell College Center (CCEN) — Room 140 (Bookstore)

Student Charges

Student charges must be made by 4 p.m. on Tuesday, Sept. 30. Student charges consist of Vocational Rehabilitation, Veterans Rehabilitation, WIOA, Knox Promise, etc. This does not include Pell Grant or other financial aid charges.

Textbook Rentals

Fall rentals are due back to the bookstore by 4 p.m. Dec. 15 at the Morristown Campus.

You will receive email reminders about your rental at the email you provide during purchase. Books that are shipped to the bookstore must be received by Monday, Dec. 22. Please do not send non-rental books by mail. **DO NOT SEND RENTAL BOOKS BY CAMPUS OFFICE MAIL.**

Textbook Refunds

Any textbooks purchased or rented in-store or online (before the start of classes) will receive a full refund at the Morristown Campus through Sept. 2.

- REFUNDS WILL NOT BE GIVEN WITHOUT A RECEIPT.
- Refund textbooks must come back in a sellable condition.
- After Sept. 2, standard two-day refunds apply to all textbook purchases and rentals.

Textbook Buyback

Textbook buybacks are done at the bookstore at the Morristown Campus. Buybacks can be done anytime during the year when the store is open. An official ID (i.e. Tennessee driver's license or identification card) and your Walters State "W" number are required for all textbook buybacks. The best time for textbook buyback is always at the end of each semester.

eText Program

Walters State Community College participates in the TBR-led Digital Engagement Initiative (DEI) program that attaches a digital textbook (eText) to certain classes. Things to know about the eText:

- Attaching the eText to classes allows immediate access to the course material on the first day of class.
- The cost of the text will be included in the tuition and fees for the class as a non-refundable, non-mandatory fee.

Students will receive an email from the bookstore with information on how to access the digital materials and will also provide a link to opt-out, if desired.

- Students may opt out of the program and purchase a book on their own.
- The deadline to opt out or fall is Sept. 8.
- If students are in multiple courses, they can opt out from one or multiple classes.
- If students choose to opt out, they will be required to purchase material for their courses on their own.

Students should be aware that certain types of aid will not cover the cost of the eText. If students have questions, they should consult with a financial aid representative at any campus.

Notes to Students

Attendance

Students must attend the first day of class or contact the instructor prior to the first class if they intend to remain in class. If this procedure is not followed, the students may be administratively dropped from the class, at the discretion of the instructor. Students who are withdrawn from classes under this policy will receive a drop form marked "Attendance Withdrawal."

Fee-Waiver/Discounts

WSCC will begin accepting fee waivers/discount forms on or after July 11. All forms must be signed and dated on or after July 11. Cashiers do not make eligibility decisions. Waivers/discounts calculated at time of payment are "good faith" reductions.

If it is determined at a later date that a student is not eligible for the fee waiver/discount or the form is not complete, the student will be invoiced for their account balance or receive a letter with additional instructions.

Students who use a PC191 or state employee fee waiver may not register until the day prior to final purge on a space-available basis.

Dropping/Adding Classes

Changes in your class schedule may result in changes to financial aid awards. Please check before you drop/add a course(s).

TRY DISTANCE EDUCATION!

Distance Education Opportunities

Walters State offers learning opportunities for students who may not wish to travel to a Walters State campus for all classes. Several types of distance-learning opportunities — video-streaming courses, Walters State web-based (online) courses, hybrid courses and TN eCampus (previously called RODP/ROCC) courses — are offered this semester. For more information about these distance-learning opportunities, please come by the Division of Distance Education in room 126 of the College Center, or call 423-585-6765.

Hybrid (HYB)

Hybrid Courses (HYB) follow traditional meeting schedules in addition to offering students the opportunity to complete a portion of the coursework via the Internet and eLEARN. Hybrid classes are good choices for students who need to limit the number of trips to campus, but also prefer some face-to-face contact with classmates and the instructor. Students may access the Internet through campus WiFi and computer facilities at the college's library on the Morristown, Niswonger, and Sevierville, campuses or anywhere else they have Internet access. The College is not responsible for obtaining or maintaining students' individual equipment or software for accessing the Internet.

Desktop Video Courses (DVC)

Desktop Video Courses (DVC) follow traditional meeting schedules as described in the Schedule Planner and the course syllabus through virtual meeting platforms. Desktop Video classes are a good choice for students who need to take classes off campus but also need the structure of the classroom environment. To complete all requirements for these courses, students have reliable access to the Internet via a DSL or higher broadband connection. Minimum requirements include: a computer with a webcam, a speaker, and a microphone, or students will need a tablet. A USB headset with microphone and ear buds are recommended for use with mobile devices. Students may access the Internet through campus WiFi and computer facilities at the college's library on the Morristown, Niswonger, and Sevierville campuses or anywhere else they have Internet access. The College is not responsible for obtaining or maintaining students' individual equipment or software for accessing the Internet.

WS Web-Based Courses (Online)

Web-based courses provide the opportunity to complete coursework via the Internet and eLEARN. Online courses are a good choice for self-motivated, self-directed students who need a flexible course schedule. To complete all requirements for these courses, students must have reliable Internet access via a DSL or higher broadband connection. Students may access the Internet through campus WiFi and computer facilities at the college's library on the Morristown, Niswonger, and

Sevierville campus, or anywhere else they have Internet access. The college is not responsible for obtaining or maintaining students' individual equipment or software for accessing the Internet. Web-based Labs require students to complete work Online and uses simulations.

Conventional (CON)

Courses meet "face-to-face" for lecture and/or lab instruction; however, some course materials/activities may be online and require some internet access. Online components may include access to course content, course notes, resources, and assessments. Times and room numbers will be listed and provided in students' schedules.

Video Streaming (TWY)

Video-streaming courses (TWY) follow traditional class meeting schedules, while providing students the opportunity to attend class sessions at one of Walters State's four campuses in Niswonger (Greeneville), Sevierville, Tazewell or Morristown). Video-streaming courses are good choices for students who may be unable to travel to multiple campuses. Instructors deliver instruction from one of the four campuses to students at one or more of the other campuses. Students are able to interact in real-time with the instructor and students at the other sites via video streaming technology.

Lab Instruction may Vary as Follows:

- **WEB Lab** — Students will not come to campus. Work is online and uses simulations, etc.
- **Hybrid Lab** — Students must come to campus to complete labs in-person. Faculty will work with legitimate inabilities to get to campus as they arise. Online experiments may also be used.
- **DVC Lab** — Students will not come to campus but some of the labs will be completed in real-time, virtual class settings using Teams or Zoom. Online experiments may also be used.

TN eCampus Courses (RD1)

TN eCampus courses are offered as part of the [TN eCampus](#) mode of delivery. Students interested in these courses should contact Candace Justice at 423-585-6765. Students can also obtain information concerning this mode of delivery at the TN eCampus.
